FEATURES AND BENEFITS

▶ Superior true wireless experience

Revel in the freedom only true wireless connection can provide. Pair your AKG N400NC TWS headphones to your smartphone, and enjoy the ultimate hands-free experience.

▶ AKG Reference Sound with metal acoustic chamber

The award winning AKG sound quality lets you appreciate all the details of all your favorite songs. With 8.2mm high sensitivity driver with metal acoustic chamber, AKG N400NC TWS headphones deliver pure, undistorted sound when you are on the move. Enjoy studio sound no matter where your day takes you.

▶ Best-in-class Active Noise Cancelling technology

Best-in-class Active Noise Cancelling technology fine-tuned for traveling combines elegant design and premium materials – aluminum and soft silicon – to reduce ambient noise and create a perfect blend of sound excellence and style.

▶ Long-lasting high fidelity

With 12 hours of playback (6 hours playtime in the earbuds + 6 hours from the charging case) AKG N400NC TWS headphones provide the soundtrack to get you through your longest days. Just 10 minutes of wireless charging from the carrying case are sufficient to have an extra hour of playback. The charging case supports also type-c charging. When not worn, the N400NC TWS smartly go in auto-pause and sleep mode to help saving battery.

▶ Waterproof, worry-free

The perfect companion for your active lifestyle. AKG N400NC TWS headphones are sweat and water proof with IPX7 rating. Undaunted by most wet weather conditions, they will keep you focused on your music and the day ahead.

▶ Full-function touch control

Manage your audio with full-functioned wireless touch control. A light tap or swipe on your earpiece allows you to take or reject phone calls, raise or lower volume, change tracks, as well as launch the Ambient Aware, TalkThru and activate Bixby virtual assistant.

▶ Designed for Samsung

AKG N400NC TWS headphones have everything you need to fully enjoy your Samsung devices, as it easily connects to Bixby virtual assistant and Multi Device Experience to seamlessly connect to the Samsung ecosystem.
